

LIAISON MEMORANDUM NUMBER 12-05

To: Agency Liaison and Payroll Officers

From: Cindy Rougeou
Executive Director

Re: LASERS Publication Order Form

Date: February 7, 2012

For the convenience of our employers and members, all LASERS publications are available for download on our website, www.lasersonline.org.

On our website under "Publications for Employers," you can download the **Publication Order Form**, which allows you to request certain publications that are available for LASERS to print for you. Due to continuous changes and the increased cost of printing, selections are limited. LASERS will only accept requests from this order form.

Publications that LASERS prints for members include: Lagniappe Guide to Retirement booklet, Social Security/Windfall Elimination Provision flyer, and Member Self-Service cards.

Please note that LASERS no longer prints the Membership Handbook due to continuous legislative updates and its increasing size. Instead, we encourage you to print the **Membership Handbook Flyer** from our website, which allows you to order certain chapters of interest.

All LASERS publications are available online, including the Membership Handbook, so we ask that you limit your requests to the maximum listed on the form.

If you have any questions, please contact the Public Information Division at 225.922.1131.
