Re: Act 992 - Information Needed for Hazardous Duty Personnel

Date: October 19, 2010

The LASERS Fall Forum scheduled for November 4, 2010, to discuss Act 992 of the legislative session, has been postponed. In the interim, we would like to gather more information on hazardous duty personnel in your agency.

If your agency has employees in hazardous duty positions, LASERS needs information about them to assist in the implementation of Act 992. Complete the attached [Excel spreadsheet](#), by **October 29, 2010**, for rank-and- file employees in any of the following positions:

- Arson investigators in the Office of the State Fire Marshal.
- Park rangers in the Department of Culture, Recreation and Tourism.
- Campus Police at post-secondary educational institutions.
- Hospital security officers at LSU Health Sciences Center.
- Investigators at the Department of Justice.
- Investigators at the Office of the Inspector General.
- Other LASERS-eligible positions required to be P.O.S.T. certified, holding a commission, and having the power to arrest.

The spreadsheet should be returned by e-mail to pidrequest@lasersonline.org .
